FIG. 5 is a schematic diagram of a device 16, showing a rectangular frame 36 with a central opening 119. The frame 36 is composed of a material with a stippled texture. The central opening 119 is a large rectangular void. Three circular features, possibly buttons or sensors, are located on the right side of the frame 36, adjacent to the central opening 119. The entire device 16 is enclosed within a larger rectangular boundary.
